Further information inside

Free training for disabled black, asian and minority ethnic people seeking employment

- Are you interested in developing life skills?
- Are you interested in personal development?
- Are you interested in increasing your prospects for employment, further education/training and greater social interaction?

Then why not enrol on one of OBAC's training programmes.

OBAC currently offers the following:

Basic and Key Skills Sessions

- Communication
- Numeracy
- Literacy
- Problem solving
- Working with others
- Information Access Technology
- Internet Training
- ESOL - Skills for life

Career Advice and Guidance

- Motivation and Orientation
- Confidence Building
- Career Guidance
- Further education and training opportunities

Job Search and CV Preparation

Intensive training will be offered to beneficiaries to ensure full access to job opportunities and the labour market.

- Assistance in the completion of job application forms
- Training videos, to accompany group and individual sessions for interview practise.

Taster Days and Workplacement Opportunities

Short-term workplacements will be offered with employers.

Seminar and Workshops on the 'World of Work' will be organised to increase beneficiary knowledge and understanding of equality and diversity in respect of the labour market.

Support Services

Beneficiaries will also have access to on-going support and advice on welfare benefits and other entitlements.

Accredited Training

OBAC is a registered centre for OCR New Clait and Clait Plus. Beneficiaries will have the opportunity to sit for exam units towards one of the qualifications.

You may be entitled to Childcare, lunch allowance and transport.

Interested? Come in for an Initial Assessment.
